

Best Practice 2020-21

1. Use of College Infrastructure for Community Service

A. Objective of the Practice

To provide social service by providing college infrastructure facilities for community functions.

B. Context

The college has its own Ground and Guest house. Apart from the use of these facilities for college activities the Guest house and Ground are provided for community functions.

C. The Practice

During this session College ground and Guest house was provided for organization of Bhagvat Gita Gyan Yagya Saptah from 31 December 2020 to 6 January 2021.

D. Evidence

Bhagvad Geeta saptah was successfully organized in the College ground and guests were accommodated in the guest house.

E. Resources

College ground and Guesthouse

F. Institution and Contact Person: Dr KR Mandavi, Principal
Government LCS College
Ambagarh Chowki, Rajnandgaon

2. Promotion of Covid-19 Awareness and Vaccination for Students, Staff and Community

A. Objective of the Practice

To promote Covid-19 awareness and Vaccination program for Students, Staff and Community

B. Context

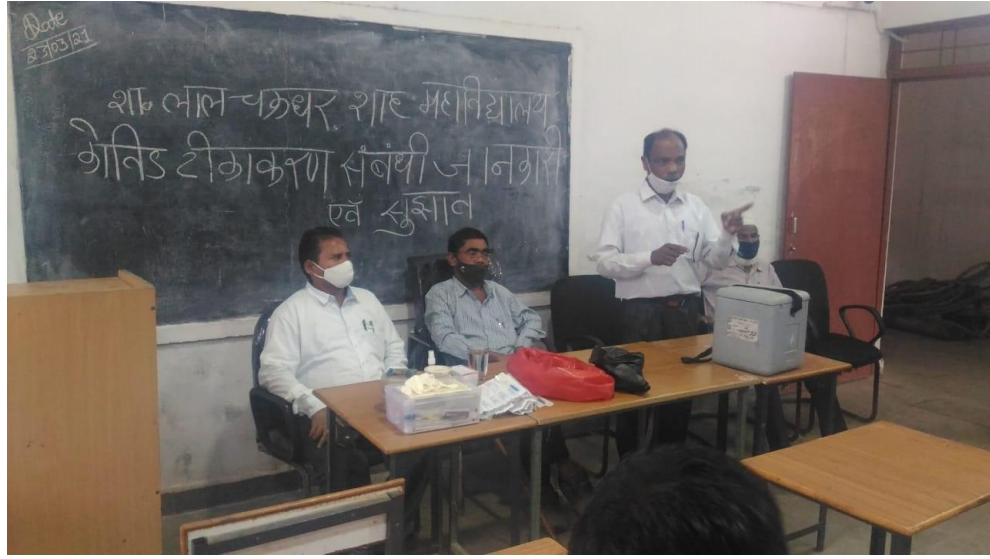

Covid-19 pandemic affected large parts of the globe including India. During present session educational institutions were closed as precautionary measure for a large part of year and most of the academic activities including examinations were conducted online. However as part of government initiatives to combat the ongoing viral pandemic institutional awareness campaigns and vaccination drives were organized.

C. The Practice

A team of Doctors and health workers from Government hospital visited the college and delivered talk on Covid-19 virus and its prevention. The medical team also vaccinated college staff, students and community members

D. Evidence

College staff and students gain valuable information about Covid-19 virus infection, symptoms, disease prevention and vaccination. More than 25 people were successfully vaccinated with First dose of Covid vaccine.

Covid-19 Awareness Program

Covid-19 Vaccination Program
