

Clean and Green Campus and Community

Objective of the Practice

To promote Cleanliness and Tree Plantation and a sense of Belonging to the College and Community

Need Addressed and the Context

Volunteers of NSS and NCC Cadets participate in College and Community Cleanliness and Tree plantation drives to promote Cleanliness and Greenery in Campus and Community

The Practice

NSS Volunteers and NCC Cadets conduct College Cleanliness drive which not only help in maintaining the College clean but also promote the virtues of Cleanliness among other students of the College. NSS Volunteers and NCC Cadets also conduct Cleanliness drive in our City and nearby adopted villages thereby promoting the virtue of cleanliness in the community.

Apart from this NSS Volunteers and NCC Cadets also participate in Tree Plantation in City and Neighbouring Villages.

Evidence of Success :

S.No	Organisation	Date	Activity	Students Participation	Place
1	NSS	07/08/2019	Tree Plantation	50	NSS Adopted Village Sonsaytola
2		17/09/2019	Campus Cleanliness Program	83	College Campus
3		30/09/2019	Campus Cleanliness Program	67	College Campus
4		12/10/2019	Campus Cleanliness Program	71	College Campus
5		25/01/2019	Campus Cleanliness Program before Republic Day	75	College Campus
6		27/11/2019-3/12/2019	Village Cleanliness and Tree Plantation	50	NSS Adopted Village Atargaon
7	NCC	01/07/2019	Tree Plantation Drive	56	Ambagarh Chowki
8		10/12/2019	Cleanliness Drive and Rally with ITBP	250	Ambagarh Chowki

Best Out Of Waste

Objective of the Practice

To Construct Benches and Platform in College Campus from Scrap And Stone

Need Addressed and the Context

In the Vicinity of College lots of construction debris was littered. Under the Leadership of NCC Officer Shri NK Kurre, NCC Cadets decided to clean up the debris and used Scrap Iron rods and Stones along with Cement supplied by NCC to construct Benches and Platforms around Trees in the Campus. This not only led to utilization of waste but also added Valuable infrastructure to campus. NCC Cadets learned the virtue of team work, developed skills and their contribution was appreciated by College Principal.

The Practice

NCC Cadets while conducting Cleanliness drive came across construction debris in college vicinity. Usable pieces of Iron rods and stones were collected and utilized for making Benches and Platform around trees along with Cement supplied by the College NCC Unit.

Outcome

Valuable infrastructure resources were added to the college campus with minimum resources and utilization of the waste.
