

1. Involving Students in Promoting Cleanliness

Objective of the Practice

To promote values of Cleanliness and Importance of Labour and a sense of Belonging to the College.

Need Addressed and the Context

Our College has 9.5 acre campus .Class rooms, labs and offices are spread over a large area. Although college has cleaning staff yet maintenance of such large area becomes difficult. Volunteers of NSS along with staff participate in College cleanliness drives.

The Practice

NSS Volunteers regularly conduct College Cleanliness drive which not only help in maintaining the College clean but also promote the virtues of Cleanliness among other students of the College.

Evidence of Success

S.N	Date	Program	Number of Students	Place
1.	8.11.2016	Cleanliness Program	75	College Campus
2.	22.12.2016	Cleanliness Program	50	College Campus
3.	30.01.2017	Campus Cleanliness before Annual Day	50	College Campus

Campus Cleanliness Drive

2. Involving Students in Promoting Health and Wellness

Objective of the Practice

To promote message of Healthy Living and Well being

Need Addressed and the Context

Health is wealth. A healthy life style leads to long and disease free life. Promotion of the message of healthy well being is an important Social responsibility. This is being done through Seminars, Rallies and Health camps organised by NCC and NSS units of our College.

The Practice

NCC and NSS units organise Seminars, Rallies and Health Camps to promote message of Health and Well being. In addition to this NCC cadets also organize and participate in blood donation camps in College campus in collaboration with the Local Primary Health Center.

Evidence of Success

S.N	Date	Program	Number of Students	Place
1.	10.09.2016	Seminar on Eye donation	150	College Campus
2.	24.09.2016	Blood Donation camp	76 Units of Blood donated by NCC Officer and Cadets	College Campus
3.	24.10.2016	Anti Tobacco Program	68	Metepar Village
4.	17.12.2016	Preventive Health Camp	59 people	College Campus
