## About the Vision Viksit Bharat@2047

Vision Viksit Bharat@2047 aims to position India as a developed nation by 2047, based on advancement in socio-economic, cultural, political and technological domain. Viksit Bharat@2047: A Vision for India's sustainable development outlines a revolutionary plan for India's progress and advancement by the 100th anniversary of its freedom. This bold vision seeks to create a nation that is economically strong, socially inclusive, and environmentally sustainable. Rooted in the principles of advancement and fairness, Viksit Bharat@2047 aims to combine social welfare, environmental responsibility, and economic growth to tackle the challenges and prospects of a swiftly evolving world. Central elements of this vision encompass enhancing technological progress, encouraging entrepreneurship, and facilitating skill development to boost a knowledge-driven economy. Focusing on renewable energy, environmentally friendly methods, and climate resilience demonstrates a dedication to sustainable practices that safeguard natural resources and biodiversity for the generations to come.

## Concept Note on Multi-Disciplinary International Seminar

The Multi-Disciplinary International Seminar titled "Social and Scientific Approaches for Resilient Rural Development and Path Towards Viksit Bharat @2047" aims to explore innovative strategies and solutions for fostering sustainable and resilient rural development in India, with a vision to achieve a developed nation by the year 2047. This seminar is a step towards realizing the vision of a developed and self-reliant India by 2047, with a focus on inclusive and sustainable rural development.
